## NOTICE TO OUR SUPPORTERS

With great excitement we announce:

# MOUNTAIN VIEW COUNTY HAS APPROVED OUR DEVELOPMENT PERMIT!

### ROCKY MOUNTAIN MOTORSPORTS

This was the final major milestone for RMM to clear. So what's next?

We are in the final phases of finishing touches on the track and infrastructure, construction engineering drawings, and contracts for construction packages.

The final Development Permit included minor revisions that will lead us to a ground breaking ceremony in August. This will include earth work on the track, paddock, sound berms, infrastructure roads, and storm water management, plus other site specific infrastructure. This work will set us up for a quick start on kerbs, paving, and track support systems first thing in the spring. The schedule allows us significant construction during the fall and a full track opening in mid/late spring of 2020.

We continue to receive a lot of interest in the car condos/garages, which you can register for on our website. For those interested in garages, they will progress under a separate process for start of construction in 2020.

We are pleased to offer you an exclusive, limited opportunity to participate as a vision leader by purchasing a membership during this pre-construction period—available only until ground breaking. Membership programs and options are included on the following page for your consideration. Note: we are introducing enhancements that address future value and reduced deposit requirements.

RMM has revised its installment payment plan to coincide with the milestones noted in the table. A deposit of \$2,000 is required to confirm your pre-construction price.

There are still a limited number of Diamond Membership opportunities available, which can only be purchased by qualified Accredited Investors. RMM is also making an extremely limited number of Corporate Memberships available.

For any party interested in membership opportunities before they are gone or prices increase, please contact:
